Active Shooters Classes: There will be no classes on Friday, September 7th so that we may provide a couple of classes on Surviving an Active Shooter Event. The first class will start at 5:30 p.m.; and a second class will start at 7:00 p.m. These classes are open to the public (Anderson ATA students, families, friends, coworkers, neighbors... anyone). The purpose of these classes is to provide you with information regarding what to do if you should ever find yourself in a situation with an active shooter. Also learn ways to keep you safe while jogging. Learn what you can do, and what you shouldn't do, to help you and your loved ones have a better chance of survival. These classes are FREE!!!

Annual Halloween Party: Saturday, October 13th will be our annual Anderson's ATA Halloween Party! Preparations are being made for a fun day/evening for all Anderson's ATA students and their families... It's a great chance for everybody to get together outside of classes and just have some fun, with lots of food (and maybe a cool haunted house). Save the date, you won't want to miss this one!!!
