Color Belt Philosophy

The philosophical interpretation of the Red Belt is:

The first day (the period of time from White to Red belt) of growth is coming to an end. The physical skill has been developed, but lacks control; therefore, physical and mental discipline must now be achieved.

General: Recommended Red Belts (1R) testing for Decided Red (1D) should do their board breaks, successfully, in class prior to receiving permission to test. However, it is MANDATORY that students testing for Black Belt ranks (including 1st Recommended Black Belt) perform their board breaks at a formal testing as well as their other requirements (i.e. form, sparring).
